I. Structure and Guidelines

The purpose of this service manual is to provide an orientation for general service work in District 1 of the Area 48. This manual outlines practices and procedures that have proven effective for District operations. It also helps ensure continuity in procedures as members rotate through positions.

Alcoholics Anonymous, our fellowship, has been given the Three Legacies: Recovery, Unity, and Service. These Guidelines cover how the Legacy of Service is implemented and carried out within this District. These guidelines have only one purpose -- to provide a clear and concise reference for those who are involved in District 1 service. It outlines, in a general way, the duties and responsibilities of those serving within the District.

These guidelines are not to replace or override the information set forth in the AA Service Manual, but are to be used along with and as a supplement to the Manual. These guidelines are designed to be more specific in delineating the responsibilities and duties of those serving in the District and to cover other policies and procedures specific to District 1.

District 1 shall be guided continually by the General warranties contained in Concept XII of the Twelve Concepts, namely that the District:

shall observe the spirit of the AA Tradition, taking great care that the District never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample prudent reserve, be its guiding financial principle; that no District member ever be placed in a position of unqualified authority over any others; that all important decisions be reached by discussion, vote, and whenever possible by substantial unanimity; that no District action be personally punitive or an incitement to public controversy; that it shall never perform any acts of government; and that it always remain democratic in thought, spirit and action.

II. District Geographic Boundaries

District 1 of Area 48 covers approximately the area of Albany County in New York State. It is part of the Eastern cluster, which also includes Districts 2 and 18. For a map of the District and Area, please refer to the Area 48 meeting schedule which is published annually.

III. District Committee

The business of the district is carried out by the District Committee which consists of the General Services Representative (GSR) from each group in the District along with the elected officers, committee chairs and other service members. All AA members in the District are invited to attend District Committee meetings.

IV. District Service Positions

District 1 is served by a number of AA members who agree to participate in AA service at the District level. These service positions include GSRs, District Officers, Committee Chairs and their alternates. GSRs are elected or appointed by each group in the District according to each group's own decision-making process. District Officer, Committee Chairs, and their alternates are elected positions at the District level.

Basic Roles and Responsibilities of all Service Positions

Attendance at District Meetings is a part of the responsibilities of every GSR, Elected Officer, and Committee Chair. In the event of an inability to attend, prior notification is expected and the attendance of an Alternate is expected.

Elected Officers should submit monthly Reports at each District Meeting, or if unable to attend, submit written reports prior to the Meeting as part of their Accountability to those who have entrusted them with their Responsibilities.

All Committee Chairpersons should have an involved Alternate if possible. The Chairpersons or their Alternates are expected to submit a monthly Report either in person at, or to the DCM or Alternate DCM in advance of, each monthly District Meeting.

Committees should consistently strive for effective ways to carry the message by both new initiatives and through following up on service work already underway.

All Committee Chairs are also urged to know their counterparts in other Districts in the Area, coordinate with them when possible, and attend Area events.

Removal of Officers or Committee Chairs

If an officer or committee chair misses two or more consecutive meetings unexcused or without explanation, the DCM shall contact the person to determine if they wish to continue as an officer or chair.

If they wish to continue, then the DCM will remind them of their obligation and tell them they must attend the next district meeting. If they do not attend the next meeting or send a report / explanation for missing the meeting to the DCM, that will be considered an automatic resignation.

If the person does not wish to continue then they must resign the position and open it up to a midterm election.

A break in continuous sobriety will be considered an automatic resignation.

Any interested member of AA is welcome to attend although they have no vote and will be heard at the discretion of the DCM.

This District meeting is typically held on the first Monday of each month at 7:00PM.

The physical location of District 1 meetings is the Third Reformed Church, 20 Ten Eyck Avenue, Albany, NY 12209.

If held online, the District Secretary will communicate meeting location (online or in person) and/or and rescheduling of said meeting at least three days prior to the meeting occurrence. If login or hyperlink information is required for online attendance it will be included in the 'Pre-Meeting Email' of pertinent District information or details sent out by the District Secretary.

The District Meeting generally follows this format:

- Approval of previous month's minutes & Secretary Report
- Treasurer Report
- District Committee Member (DCM) report
- Alternate DCM report
- LCM Report

- Close the meeting with the Responsibility Pledge

The DCM is empowered to modify the format of the agenda as they see necessary.

As issues or discussions come up during the meeting, each person is expected to keep their comments on point to the subject being discussed and to keep their remarks brief to allow for full discussion by all members of the group. No one may speak for a second time on a topic until all who wish to speak have spoken.

We strive to reach consensus on all matters discussed. If general consensus cannot be reached by a simple voice vote, the District uses the following voting methodology.

VI. Voting on Matters during District Meetings

In keeping with Concept XII which states that *all important decisions be reached by discussion, vote, and whenever possible by substantial unanimity*, District 1 uses the following guidelines when voting on District Business:

- Formal votes shall be taken when general agreement cannot be reached on a matter.
- No vote shall be taken unless a significant number of voting members are present
 - A significant number of members shall be defined as 2/3rds of the average attendance at the prior year's District meetings
 - This number shall be set annually as reported by the Secretary
- If a significant number of members are present, a 2/3rds vote of those present at the meeting shall be needed to approve any issue needing a formal vote
 - The DCM may vote to secure or deny a 2/3rds vote

Voting Members

While membership in District 1 is open to all who have a desire to stop drinking, voting at District 1 meetings is limited to:

1. Group GSRs or Alternate GSRs, so that each AA group within District 1 has one (1) vote;
2. the Treasurer,
3. the Secretary,
4. the Records Keeper, and
5. the Chair of Each Committee

Alternates to the Treasurer or Secretary may vote in that capacity only when the Treasurer or Secretary, respectively, is absent.

In the DCM's absence, the Alternate DCM had the same voting privileges as the DCM. The DCM (or Alternate DCM) does not vote in any District business except as otherwise allowed in section VI. The DCM is a voting member of Area 48.

In the event that the same person qualifies to vote under two or more of the above provisions he or she shall be afforded one (1) vote only. In the event that a GSR qualifies to vote in another capacity, their duly elected alternate may vote in their place.

Voting is limited to ONE vote per group present, ONE vote per officer present, and ONE vote per committee chair present. In the absence of a GSR or Committee Chair, their alternate may vote in their place. In the absence of a group's Alternate GSR, the group's designated representative may vote.

VII. Voting and Elections

In October of every odd numbered year District 1 will hold Elections for all Officers and Committee chairs for the term of service beginning the following January.

VIII. The Elections Process

The outgoing DCM will Chair the election meeting. In the event that the outgoing DCM cannot attend, the Alternate DCM will serve as chair.

The following shall be full voting members of the District at the election:

- All District 1 GSRs or in their absence their Alternates

- Committee Chairs, or in their absence their Alternates
- Elected officers, or in their absence their Alternates

In the event that the same person qualifies to vote under two or more of the above provisions he or she shall be afforded one (1) vote only.

Voting in District elections will follow Third Legacy Procedures as outlined in the AA Service Manual.

The DCM is not qualified to run for re-election to either the position of DCM or Alternate DCM until a period of not less than six (6) years has passed since that person has last held either position.

Both the Treasurer and the Secretary may run for re-election to a second term. Once a person has held 4-years service in either position that person is not qualified to run for re-election again to that position or to the position of Alternate to that position, until a period of not less than 6-years has passed since that person has held that position.

If only one person stands for a position they should state their sobriety date and service qualifications. The DCM will then ask for a motion to accept the candidate for the position. This must pass with a 2/3 majority.

A. Midterm Elections

In the event that there is a vacancy of a position, either an elected officer or a committee chair the following procedure will apply:

- The vacancy will be announced at the meeting prior to when the election will be held in order to allow all who wish to stand for the position to be present.
- If there is an alternate for the position, that person shall fulfill the duties until an election can be held to fill the position.
- District 1 General Service Representatives are highly encouraged – in situations where there are vacancies -- to take back details of the position and advocate for members of their home group to consider standing for the vacant position.
- The DCM and Alternate DCM will facilitate an election for the vacant position following Third Legacy procedure.
- Anyone elected Mid-term will serve until the completion of that term (i.e. they will serve less than 2 years).

IX. Process of Making Amendments to the District Service Manual

Amendments to this service manual are made by a three step process:

- The proposed change will be submitted in writing and distributed at the district meeting in the prior month.
- At the following meeting the change will be discussed and evaluated.
- All amendments require a 2/3 majority approval from the voting body

+++++ End of Service Manual +++++

The following is offered to generally explain Robert's Rules of Order

Putting forward a Motion for Action

A *motion* is a proposal that a member makes in order to ask all voting members to take action on or to take a stand on an issue. Only members that can vote on motions may make motions.

- New motions cannot be made when any other motion is on the floor. Members may propose to make amendments to a motion that is on the floor.
- Obtain the floor by raising your hand.
- Make Your Motion in clear and concise manner by stating: "I move that we _____."
- Another member may second your motion or the Chairperson will call for a second.

- The Chairperson States Your Motion. The Chairperson will say, "It has been moved and seconded that we ..." thus placing your motion before the meeting for consideration and action.
- Once your motion is presented to the membership by the Chairperson it becomes "assembly property," and must follow the amendment procedure below to be modified.

Discussing and Debating the Motion

- The time for you to speak in favor of your motion is at this point in time, rather than at the time you present it. The person who moves or makes the motion is always allowed to speak first.
- All comments and debate must be directed to the Chairperson.

The membership then either discuss and debate your motion, or may move directly to a vote.

Any member may speak on a motion, but should wait until other speakers are finished before speaking for a second time.

The mover may speak again only after other speakers are finished, unless called upon by the Chairperson.

Putting the Question to the Membership

- The Chairperson asks, "Are you ready to vote on the question?" If there is no more discussion, a vote is taken. Alternately, a member can say "I call the vote" when it is their turn to speak.
- Calling the question requires a second and requires a simple majority to pass. This action is not debatable.
- The person calling the question must be recognized and speak in turn. Calling the question out of turn or interrupting those who have been waiting to speak, is out of order and does not have to be recognized by the Chair.
- The person calling the question may not address the motion prior to calling the question.

Voting on a Motion

At the discretion of the Chair one of three methods of voting will be used:

- By Voice -- The Chairperson asks those in favor to say, "Aye," those opposed to say "no", and ask for any abstentions. The only reason to abstain from the vote is if you could personally gain or profit from the motion. Any member may move for an exact count.

- By a Show of Hands -- Each member raises their hand until all hands are counted. This method is used for counting dissenting votes also.
- By Ballot -- Members write their vote on a slip of paper; this method is used when secrecy is desired, such as during elections of committee members. (Please see Third Legacy voting in your service manual for further instructions.)

Minority Opinion

The minority opinion is very important to AA and helps to preserve our Traditions.

Following a vote, the Chairperson will ask to hear from the minority opinion. The Chairperson can choose how many minority opinions will be heard. The purpose is to persuade even one person from the majority to change their opinion and move for reconsideration.

If any member who voted on the prevailing side of the question raises their hands, the request to reconsider a vote is considered made and seconded and discussion resumes on the matter as if the original vote had not taken place.

This is not discussion, and no rebuttal by a member of the majority is allowed.

If the motion that is being reconsidered is not debatable, then the motion to reconsider is not debatable.

A matter may be reconsidered only once. Motions to reconsider or table cannot be subject to a motion to reconsider.

Motions to reconsider must be made at the same meeting at which the vote being reconsidered was taken.
